## Ball Handling & Hoop Skills Camp

Recognized as one of the best in the country since 1986!  
To find out about our camps schedule visit us at  
[www.advantagebasketball.com](http://www.advantagebasketball.com), call 425-670-8877 or  
email [info@advantagebasketball.com](mailto:info@advantagebasketball.com).

## Camp Expectations

Advantage was named by *Sports Illustrated for Kids* as one of the top camps in the country. Meet one of the top coaching staffs in the world. Learn from the pros! Our students will build on their ball-handling and court awareness skills by learning lightning-quick, one-handed moves off the dribble and a whole lot more. Our method of learning by repetition and our reputation clearly sets **ABC** at the top.

We also have camps in multiple locations. For information visit [www.advantagebasketball.com](http://www.advantagebasketball.com), call 425-670-8877, or email [info@advantagebasketball.com](mailto:info@advantagebasketball.com).

## Testimonials

"Hope all is well. Thank you again for the camp. It's taken my son's game to the next level. A few weeks after your camp he attended the BYU camp and won MVP of his age group—directly related to what he learned from you! His ball handling skills improved immensely."  
— *Thuri Bailey*

"Gino and Anthony really enjoyed this experience. The coaches were motivating and positive. Loved the drills—we'll continue those at home! Keep doing what you're doing!"  
— *Mother of two sons (ages 14-15)*

"All 3 children show more confidence during real league games played during the camp session. On those evenings during actual competitive games, some of the drills taught were actually used. I witnessed a spin move that was never used before. Moves that had been used before became more fluid."  
— *Mother of 3 daughters (ages 11, 12 and 14)*

"Gabby has seen how the other players work very hard to reach their achievements. This is Gabby's first course in basketball. She continues to enjoy the challenges in this camp. Repetition has been great for her fundamental learning."  
— *Mother of girl, age 8*
