

California Basketball Skills Training Advantage Basketball Camps

Take your basketball skills to a whole new level with Advantage Basketball Camps' Personal Training. Receive individual attention from some of the finest basketball coaches in the game. You can choose from Small Group Instruction or Private One-on-One Training. We can even set up a special training program at your location. (See below for details and a registration form.)

Small Group Instruction

In small groups, instructors can give students more individual attention than one of our regular basketball training camps. The instructors work on several different areas of the player's game, depending on what the individual athlete's current needs are. With the additional attention of small group training, you will accelerate your learning, getting better faster.

As always, fundamentals are our focus. If you want to fully develop your game and are willing to work hard, and we do mean hard, then this is for you. Our instructors are highly-skilled basketball players and basketball coaches. They will push you as a player and help you take your game to the next level.

You will come to training once a week for a 1.5 hour training session by some of the top trainers in the country.

Location: American Sport Centers
1500 S Anaheim Blvd., Anaheim, CA 92805
Time: Monday nights 7:00pm to 8:30pm

The cost for small group training is \$180.00 per month. Training will be from month to month and you will be billed on the 1st of each month. You can cancel at any time with a 10-day written notice prior to the 1st of each month. Cancellations without sufficient 10 day notice are subject to a \$75.00 service charge. Cancellations from the 1st of the month to the 20th of the month will apply to the following month (example if you want to cancel your membership for April you must give us written notice by March 20th. If you send us written notice on April 3rd telling us you want to cancel April that cancellation will apply to May.)

Group Discounts

If you organize your own group for training, you may qualify everyone in your group for a discount. For groups of 5 to 9 players, there is a \$25.00 discount per person per month. For groups of 10 or more, the discount is \$50.00 per person per month. To participate in the group discount program you must meet these requirements:

Everyone in the group must pay by credit card. (If one person does not have a credit card then another group member will have to put them on their card.)

You must join at the same time as a group. This needs to be done by the group coordinator. Just print the registration page, make copies and have everyone fill them out and return to your group coordinator. The coordinator will mail them all to us at the same time. Each group member can print a form from online and give it to your coordinator. Do not submit the entry to us using the online submission. If you do we can not honor the group discount rate.

The coordinator will have to contact our office to work out location and time slot of the training. Group training will follow the same basic parameters of 1.5 hours of training once a week. More time slots can be purchased and will be evaluated on a case-by-case basis through our office.

Team Discounts

If you have an entire basketball team, you can hire one of our trainers to coach your whole team. This can be arranged through our office and will follow the same guidelines as the Group Discounts. Send an e-mail to info@advantagebasketball.com

Private One-On-One Training

To get the ultimate in personal attention, select private one-on-one instruction between the trainer and the athlete. The trainer will work directly and only with one student for the entire training session. In every case the following will apply:

Cost is \$150.00 per hour. Sessions are 1.5 hours long, so the cost per session is \$225.00.

In all cases, the parent or guardian of the athlete must be in the gym with the trainer at all times. (No exceptions.)

Sessions are 1.5 hours in length and will take place at the American Sport Centers location on Thursdays, 7:00pm to 8:30pm. Our trainers can travel to your location, but travel time/charges may apply. Other session times and frequencies can be arranged. Call for details.

Training Conducted At Your Location

We can come to your gym for training and all of the above rules will apply. Call the Advantage Basketball Camps office at 425-670-8877 and we will work out details on a case-by-case basis.
